In the meantime, we will certainly reexamine the United Airlines Flight 811 issues in an effort to ensure positive CAA airline safety oversight activities and actions. You can be assured that we will review and reevaluate the relevant information provided and will take appropriate measures that are within our scope of airline safety oversight responsibilities.

Thank you again for your keen insights regarding this issue. Your efforts and interest in aviation safety are commendable.

Sincerely,

---

Billy K. C. Chang  
Director General of CAA
